Financial Aid Programming

Tomorrow is the District Financial Aid Night Presented by USF Financial Aid Office

This is primarily for seniors, but parents of students in any grade can attend. The financial aid process can be very confusing and stressful. Students will apply during January of Senior year ONLY. If you need assistance with the FAFSA, or you have questions, be sure to attend the meeting. Ms. Youngman and Mrs. Dicus DO NOT provide Financial Aid advising.

If you have questions about particular courses and curriculum, please consult the teachers! You can also review the Course Guide, which includes course descriptions. Students can visit a teacher before or after school, or you can email teachers with q's.

Mrs. Dicus will be working to catch up after being out of the office all week doing presentations. Students can fill out a Request for assistance with course choices. 1st come 1st serve.

Programming sheets are DUE to the **IB OFFICE** by February 2nd with all required signatures.

Consider the best date and time for the student to attend the meeting. Students must do work ahead of time if they will end up missing an assignment. When signing up, list the **student's name** as the participant. Write it down in your calendar. Students should bring a resume to the meeting, and they should provide information about their college choices to Mrs. Dicus prior to the meeting. **If none of the times/days will work for you, please email Mrs. Dicus.** I look forward to meeting you!
